SAN FRANCISCO, May 28 .- Jack John nocked out his aparring partner, Mart knocked out his sparring partner. Marky Cutler, to-day. In the second round the champion put some hard blows to the body and finally finished him with a right hand appearent. It seems Cutler sneaked down town last night to see the sights and Johnson learned of this break in training rules. The knockout was his way of administering punishment. Johnson took on a local heavy-weight, Walter Monahan, who was so lively he gave the champion good exercise. He will probably be added to the sparring stable.
